Minutes of this meeting would be great, so I can see exactly which council members were in place for the vote? I believe it was Rozell, Powers, Penn, Regan, Parker, Hobbs and Stephens but its been a long time so I want to double-check.  3. How much will the final bill come to for the Trinity St project?  I understand the council said no to finishing out the sidewalks at their meeting but you're at "punch list" time on this project...so how much is the final bill now?  4. And lastly, I'd like to get a copy of the "dot's slide" that was referred to on Tuesday night.
